

**BROKER INFORMATION FOR MANULIFE TRAVEL INSURANCE APPLICATIONS
THAT REQUIRE UNDERWRITING:**

When your client contacts you call Manulife Underwriting at 1-800-501-4781. The Underwriter here will ask your client a number of medical questions and quote a price for the policy.

If your client accepts the price Manulife will fax a Underwriting Agreement to your office immediately. You will take the clients Visa # and complete that section. Be sure to place your name and agent code in the appropriate place. If you are an assistant use agent Ron Roche and Agent code 23135. Have the client sign the form where required.

When signed fax all pages of the Underwriting Agreement to 1-866-879-6780 and give the originals to the client to take with him. If the client requires more information print the Underwriting details by clicking on that Icon on this page of our web and giving it to the client.

If you require Broker assistance with anything related to Manulife Travel Insurance call 1-800-565-2338.
